

#ProudToBeAHiller

5th September 2025

Dear Parents and Carers,

We are delighted to share some very exciting news with you. Today, representatives from the Rotary Club of Gloucester, alongside some of our Governors, visited our school to present us with a wonderful gift – a brand-new minibus, generously donated to support our children, as well as other local schools, who can hire the bus from us.

We feel incredibly *lucky* to have such kind-hearted supporters in our community. This donation is a huge boost for our school and will allow us to take more children on trips, sporting events, and wider learning experiences.

The kindness shown by the Rotary Club of Gloucester has left us feeling both *grateful* and *excited* for all the opportunities this minibus will bring. Their generosity will make a real difference to our pupils for many years to come.

Jan Layton-Smith, the President of the Rotary Club, shared some very special words during the presentation,

“Rotary is about bringing people together to collaborate and identify needs in the community to strive to make life a little bit better for everyone. What an excellent example this minibus is; I’m sure that we are all aware that learning doesn’t end in the classroom. This minibus will make it possible for our children here at Coney Hill school, and those from some other Gloucester schools, to broaden their horizons, extend their learning and make lasting memories.”

On behalf of the whole school community, we extend our heartfelt thanks to the Rotary Club for this amazing gift.

Best wishes,

Mrs Brayshaw
