

We're thrilled to launch this year's Amazon Coney Wish List!

Over the years, we've been so fortunate to receive many wonderful books. As a result of being so well-loved and well-read, some of our **favourites** are now showing signs of wear! Our **non-fiction** collection is also in need of a refresh.

If you're considering an end-of-term gift, or simply wish to support our school's book collection, we'd be incredibly grateful if you'd consider choosing something from our Amazon Wish List. Just scan the QR code to view the list—every contribution makes a difference!

Thank you for your continued support!

Meet Our Authors of the Term!

Each week in our *Reading Rocks* assembly, we share a book or an extract by one of our chosen authors—tailored to the key stage in attendance that week.

When you discover an author you love, it's so exciting to explore more of their books! Can you find and read any stories by our new Authors of the Term? Let us know what you think—we love hearing about your reading adventures!
