

THE GOLDEN THREAD OF READING

The Golden Thread of Reading is the way we constantly develop our children through high quality texts. Reading high quality texts provides children with a wealth of wider knowledge and understanding of the world; it develops vocabulary and improves writing. We want to enable all children to find authors they love and provide children with the life-long skills they need to ensure they can read confidently, fluently and with a secure understanding. The following books have been carefully selected as the reading journey for our Hillers – see below for selection code.
