

Home Learning Tasks

Choose six of the ten activities to complete at home.

Using the internet find out some information about Queen Victoria. Create your own fact file page.

Create an outdoor game for Victorian children to play. Write down the rules for the game.

Keep a weather diary for a week and write down your observations for the week.

This term we're going to be learning about Victorian toys. Draw your favourite toy you have and write a sentence about this toy.

Design an outfit for a rich person to wear in the Victorian times.

This term we're going to be learning about seasons. Draw a picture of your favourite season. Use the conjunction 'because' to explain why this is your favourite season.

Choose a food to make from the Victorian times.

Create an outfit for a king or queen.

Get creative using paint, crayons, pens anything you like and create your own self portrait.

Write down your school timetable and a Victorian day timetable. What is the same? What is different?
