The range of transition sessions that we offer are to help your child settle into school quickly. We hope that you will be able to attend as many as possible as they are a great way to meet other families in your child's class. Where the session says parents can stay you may wish to leave your child with us and this is fine, you know your child best! The lunchtime taster session is to enable you to see the variety of food on offer at school and even try some!! You will need to order food and there is a payment for adults eating.

Please try to make our information meeting on the 7th May as this will give you lots of information and you will have a chance to meet all the staff and ask any questions you have. If you are already a parent at this school it is still a useful meeting to attend as there have been changes in recent years and you will get the latest information.

Once again, thank you for choosing our school. We hope you and your child will be very happy here. Please let us know if you are attending the information meeting.

We look forward to meeting you all soon.
