

It's cool to attend school

Think about...

**What time does the
school day start?**

**What time should you
arrive for school?**

**Have you ever been late
for school?**

**Being late isn't great, it holds up the
rest of the class and makes it hard for
teachers to start their lessons.**

DID YOU KNOW....

**If you are 10 minutes
late for school every day,
they will have missed one whole week of
school by the end of the year!**

**Arriving late can
make you feel
sad, embarrassed
and unsettled. You might
miss important learning
time too.**
