

Information for Families

All parents, carers and young people can make use of this section. Here you will find a wide range of resources, information, advice and guidance on issues affecting family life.

- *Early Help* – access to a range of services that can offer support and advice to children, families and practitioner as soon as difficulties begin to emerge.
- *Childcare* - Free to access details on Ofsted registered childcare providers, their contact details and funding information.
- *Things to do* - Upcoming events and ongoing local activities such as baby groups, sports clubs and school holiday play schemes.

Support for Families With SEND

Gloucestershire's Local Offer

If your child has special educational needs (SEN) or a disability, you can find out about the further support available using 'Support for Families with SEND'.

Part of the Glosfamilies directory, these webpages hold information about the support and services available for your child with additional needs in Gloucestershire.

The content is co-produced with parents and carers and aims to be accessible and inclusive for you and your family.

Future Me, also known as the Young People's Local Offer, puts together information for young people with additional needs about preparing for adulthood. Use this part of the directory to find out about:

- Support in your school or college
- Work and training
- Health, wellbeing and care
- Transport and things to do.

Future Me also helps 13-25 year-olds to share views and feedback about growing up in Gloucestershire.

Information for Practitioners

This section has been designed to support work with children and families to ensure you and they have the most up to date information, resources and contacts.

Practitioners can also register and log in for centralised access to restricted service details and referral forms.

Parent Workshops and Practitioner Training

Parent/Carer - Free courses for parents and carers around the county such as 'You & Me, Mum', Webster Stratton, Solihull and Triple P courses

Practitioner - A range of multi-disciplinary training and workshops, including the Early Help Graduated Pathway, for practitioners working with children and families.

Welcome to Glosfamilies, an online directory which brings together information, services, resources and things to do in Gloucestershire.

If you are a young person aged 0 - 19 years (or up to 25 with SEND), parent, prospective parent, carer, or work with children and families then read on to see what Gloucestershire has to offer you!

We welcome your feedback on services you've used and about the directory itself.
